- Stays informed on aboriginal and commercial fisheries issues in order to come to meetings informed and prepared to participate
- Develop a good working relationship and rapport with the other Board members and the MFG staff and communities served
- Active participant in the annual evaluation, work plan, financial review and strategic long term planning.

### Qualifications:

- Experience and knowledge in Commercial and/or Aboriginal Fisheries
- Experience in business planning and development
- Knowledge of Musgamagw Dzawada'enuxw Communities and Issues preferred – at very least knowledge of BC Coast fisheries
- Need to have financial acumen to read and understand financial statements
- Ability to take criminal record check

### Details:

- Honoraria and travel allowance provided for BOD meetings
- Deadline to apply: Friday, April 10<sup>th</sup>, 2015
- Please apply with a letter of interest outlining experience
